

5 REASONS TO HAVE YOUR DOMAIN WITH XOD MEDIA

1 SECURE OPTIMIZED ROUTING AGAINST HACKERS

If your site becomes a hacker's target, xod Media will route your domain to other servers right away without affecting your users. This means **we can redirect your site out of the hacker's pathway without you ever noticing***.

2 PROPERLY ROUTED AND ADJUSTED EVERY 90 DAYS

xod Media guarantees your domains are routed properly, ensuring email and web traffic is correctly directed to prevent lost email. **Ensuring you get your clients and users emails**

3 MINIMIZE JUNK AD EMAILS

Your domain will be hidden behind xod Media's Privacy Officer name. This means that **you won't be bombarded with junk ad emails** directed at your domain. Specifically, this **protects you against scare-tactic marketing campaigns** about your domain expiring.

4 PROTECT YOUR RANKING

A thorough back-end connection of the four main areas (host, domain, website and Google) is **pivotal in maintaining a strong ranking**, GETTING YOU FOUND ONLINE

5 PREVENT DUPLICATE CONTENT PENALTIES

Regardless if you have a single site or multiple, such as .com and .ca, xod Media's domain services assists against duplicate content penalties imposed by Google. **This keeps your SEO rating higher.**

At xod Media we are focused on ensuring our clients have the most secure domains available.
