

5 REASONS TO HOST WITH XOD MEDIA

1 GET A 20% SEO BOOST

All sites hosted by xod Media gain a 20% SEO boost compared to sites hosted by other providers such as GoDaddy and HostGator. **The result is your customers find you faster.**

2 EXPERIENCE THE FASTEST IP BACKBONE IN THE WORLD

This means our sites have the quickest load time for clients visiting your sites, **keeping your customers engaged.**

3 PROTECT AGAINST HACKERS

Did you know that the average site has 3000 hacking attempts per month? Hackers are not site specific, they use robots that look for holes in websites that are not maintained; size doesn't matter. **xod Media's security and added FREE SSL blocks attempted hackers and protects users** visiting your site.

4 SECURE WITH DAILY BACK-UPS

Unlike our competitors, our restore function is quick, easy, and free to use. xod Media also performs manual back-ups before any upgrade. **This means you can expect uninterrupted hosting service.**

5 PERSONAL SUPPORT

We personally support you.

Experience our industry leading customer service. You can call our main line 905-534-8900 or email us at support@xodmedia.com

PRICING

Effective January 1st, 2020, our Hosting Prices are as follows:

10 GB \$30/month (plus HST)

100 GB \$50/month (plus HST)

For any xod Media agreements currently in the first 12 months, pricing will be honoured until the end of the 12 month period.

xod Media continues to be committed to the highest level of support for its customers.

Our customers have come to rely on us for industry leading web design, programming, and secure, reliable hosting. Please direct any questions to support@xodmedia.com.

5 REASONS TO HAVE YOUR DOMAIN WITH XOD MEDIA

1 SECURE, OPTIMIZED ROUTING AGAINST HACKERS

If your site becomes a hacker's target, xod Media will route your domain to other servers right away without affecting your users. This means **we can redirect your site out of the hacker's pathway without you ever noticing.***

2 PROPERLY ROUTED AND ADJUSTED EVERY 90 DAYS

xod Media guarantees your domains are routed properly, ensuring email and web traffic is correctly directed to prevent lost emails. **Ensuring you get your client's emails.***

3 MINIMIZE JUNK AD EMAILS

Your domain will be hidden behind xod Media's Privacy Officer name. This means that **you won't be bombarded with junk ad emails** directed at your domain. Specifically, this **protects you against scare-tactic marketing campaigns.**

4 PROTECT YOUR RANKING

A proper back-end connection of the four main areas (host, domain, website and Google) is **pivotal in maintaining a strong ranking, getting you found online.**

5 PREVENT DUPLICATE CONTENT PENALTIES

Regardless if you have a single site or multiple, such as .com and .ca, xod Media's domain services assists against duplicate content penalties imposed by Google. **This keeps your SEO rating higher.**

At xod Media we are focused on ensuring our clients have the most secure domains available.

PRICING
